- Cranberry

Plus custom color matching!
Harvey provides a variety of glass options that meet or exceed Energy Star® requirements. Depending on your climate zone, you can choose the glass package that’s just right for you and your home.

### ThermaLock

A specialized UV-filtering Low-E glass coating reflects heat back into your home while Argon gas insulates air between the panes, keeping your home’s inside temperature consistent, and preventing the effects of outside temperatures, yet still allowing sunshine in.

### ThermaGuard

Industry-leading Low-E coating combines with Argon gas for effective insulating properties, keeping the inside of your home comfortable and assisting with energy efficiency.

### SunGain

SunGain utilizes High Solar Heat Gain Coefficient, meaning more of the sun’s rays penetrate the glass, offsetting heating costs in colder climates. SunGain also has our highest Visible Transmittance (VT) rating which means it allows more natural sunlight in.

PICK YOUR OPTIONS

THE CLASSIC STORY

Ideal for property owners who value both style and excellent performance, the Harvey Classic vinyl double hung window comes with a variety of color options, grid styles, and energy saving glass performance packages. There are also full and half screen options like easy-to-use FlexScreens or premium VIEWS mesh for a brighter view and 25% more airflow.

Unlike fiberglass or other low-grade vinyl products, the Harvey Classic will not chip, fade or degrade over time. So, no matter how you choose to customize, the Classic is a smart, sustainable addition to your home.
For over 55 years, we’ve built our reputation on the craftsmanship of our products and our world-class customer service. You can rest easy knowing that Harvey windows are backed by our Clear Confidence Warranty and that our commitment to your home lasts a lifetime.

**CLEAR:**
Your windows are warrantied *for life* on any defects in structure, parts, and mechanisms, and for 20 years on interior glass seal failures.

**CONFIDENCE:**
We are confident in the quality of our products, but if something’s not quite right, you can count on our highly trained, US-based customer support specialists and field technicians to solve your issue over the phone or at your property if needed.

**CONVENIENT:**
We make receiving replacement parts easy, including full sash replacements for glass repairs—no professional glass installer needed.

With this kind of coverage, it’s easy to see why J.D. Power ranked Harvey among the top* manufacturers in their customer satisfaction study.
