TRIBUTE
Double Hung
The Harvey Tribute double hung provides superior energy efficiency and stunning good looks. The Tribute is fusion welded with a contoured sash and beveled edges to emulate the traditional look of a wood window. Harvey’s revolutionary dual action lock/tilt latch combo gives the Tribute clean lines, with no exposed tilt latches to block your view.

**LIFT HANDLE TYPES**

- Applied
- Integral
- None

Tribute comes with double low profile sash locks, in three finishes, to complement its sleek design. Dual action means you can lock and tilt open the window with a flip of the thumb. Add matching applied lift handle for an upgraded appearance.

Subject to change. Please visit harveywindows.com for the latest product information.

MORE OPTIONS & FEATURES

Grids come in 5/8” and 1” sizes

Custom grid configurations plus oriel & cottage sash options

Full and half size screens

Sash/glazing bead contours and Simulated Divided Lite grids could help meet historic requirements when remodeling

Both sashes tilt in for cleaning; premium ventilation limit latches keep top or bottom sash partially open

Due to printing limitations, colors and graphics are for representation only.
WITH HARVEY, YOU GET PEACE OF MIND, STANDARD.

Clear Confidence

For nearly 60 years, we’ve built our reputation on the outstanding craftsmanship of our products and our world class customer service. You can rest easy knowing that most Harvey windows are backed by our Clear Confidence Warranty and that our commitment lasts a lifetime.

Claims

Warranties provided by Harvey are for product parts and mechanisms; they do not cover damages resulting from improper installation nor do they cover labor charges.

Please see actual warranty for details.

CLEAR:
Your windows are warrantied for life on any defects in structure, parts, and mechanisms, and for 20 years on interior glass seal failures.

CONFIDENCE:
We are confident in the quality of our products, but if something’s not quite right, you can count on our highly trained, US-based customer support specialists and field technicians to solve your issue over the phone or at your property if needed.

CONVENIENT:
We make receiving replacement parts easy, including full sash replacements for glass repairs—no professional glass installer needed.
